Feedback to Pakistan on the level of implementation of IOTC Conservation and Management Measures identified by the CoC13 in 2016.

Feedback: With regards to the level of compliance by Pakistan to the decisions of the Commission, the Compliance Committee noted certain issues that required attention. These concerns were communicated to Pakistan by the Chair of the Commission in a letter dated 27th May, 2016.

- | |
|--|
| <ul style="list-style-type: none"> • General lack of compliance with IOTC measures and response from Pakistan. • Has not presented report of implementation and has not presented others reports and information as required by IOTC Resolutions and the Commission. |
|--|

Response: No response to the letter of the Chair of the Commission was provided by Pakistan.

Current issues on the level of implementation by Pakistan of IOTC Conservation and Management Measures identified for discussion in the CoC14 in 2017.

Having reviewed the 2017 Compliance Report for Pakistan, the Chair of the Compliance Committee has identified the following significant non-compliance issues for discussion.

Compliance issues	Current status (2017)	Previous Status (2016)
Repeated compliance issues		
<ul style="list-style-type: none"> • General lack of compliance with IOTC measures and response from Pakistan. • Has not presented the compliance questionnaire and has not presented others reports and information as required by IOTC Resolutions and the Commission.
