

## E-training tool assignment

Supra-category: IOTC ROS Scientific Field Observer Training (IOTC ROS SFO)

Category: Use of Journals (IOTC ROS SFO TR4.2)

Collective assignment

### **Assignment objective:**

This assignment aims to build trainees capacity in keeping a daily journal and determine events and activities worthy of recording.

### **Instructions:**

1. Trainees are to keep a daily journal for a period of 48hours. For this each trainee is to:
  - a. create a Word document and to save it as *IOTC ROS SFO Training Daily Journal\_[insert trainee name]*;
  - b. to keep daily journal by following the guidelines provided during training;
  - c. to write its name on the Word doc. and to upload it to Talents LMS as an answer to this assignment.
2. Trainees' journals will be checked by Trainers and feedback on how to improve daily journal keeping shall be provided individually and collectively.
3. If needed individual trainees can be requested to reconduct the assignment to build their capacity further.
