E-training tool descriptor

Supra-category: IOTC ROS Scientific Field Observer Training (IOTC ROS SFO)

Category: Reporting (IOTC ROS TR4)

Description

This module aims to familiarize candidates with observer daily journal, trip report formats and contents, report procedures and deadlines as these will be used in their routine work.

Trainee performance is evaluated against the following agreed IOTC ROS competency standards:

− Familiar with IOTC data reporting requirements and timelines for submission.

The achieving of the standard is demonstrated by Observer capacity to:

− Commit to a daily routine of keeping a record book
− Determine events and activities worthy of recording

Training requirements and minimum competency standards can be consulted under the IOTC ROS SFO Programme, that can be downloaded from Talents LMS, TR0 support documents.
