E-training tool assignment

Supra-category: IOTC ROS Observer Co-ordinator Training (IOTC ROS OLC)

Category: Category: Observer Disembarkation and post-trip coordination (IOTC ROS OLC TR7)

Course: Post-trip coordination, data and report verification and data submission to the IOTC (IOTC ROS OLC TR7.01)

Group assignment (opens when all related documents have been visualized)

Participants are to set up two or more smaller groups (at least two persons to a group). Each group is to discuss and expand on the detail required in one or more of the items identified. Group leaders are be selected by participants to lead the research and provide feedback.

1   Participants are to prepare check-lists for coordinating the observer's disembarkation process.
- travel logistics; and
- observer gear, report and data return.

2   Participants are to prepare check lists and standard operation procedures for receiving and storing the observers' data.
- data verification and data capture;
- submission of observer trip reports; and
- submission of data to the IOTC

Assignment outcomes will be included into the country OLC manual under the relevant sections by CapMarine Team Leader and reviewed during inter-active workshop by sharing the manual on the screen. All participants should then be able to contribute and comment on a semi-final draft for this section of the OLC manual.
