

PERFORMANCE REVIEW UPDATE (RESOLUTION 09/01 – *ON THE PERFORMANCE REVIEW FOLLOW-UP*)

PREPARED BY: IOTC SECRETARIAT; 6 MARCH, 2013

PURPOSE

To provide the Standing Committee on Administration and Finance (SCAF) with an opportunity to update the current status of implementation for each of the recommendations arising from the Report of the IOTC Performance Review Panel, relevant to the SCAF.

BACKGROUND

In response to calls from the international community for a review of the performance of Regional Fisheries Management Organisations (RFMOs), the Indian Ocean Tuna Commission (IOTC) agreed in 2007 to implement a process of Performance Review. The IOTC formed a Review Panel, consisting of an independent legal expert, an independent scientific expert, six IOTC Members and a non-governmental organisation observer, which concluded its report to the Commission in January 2009. The Panel's review was based on the criteria developed as a result of a joint meeting of tuna RFMOs, Kobe, Japan, 2007 and concentrated on the following issues:

- Adequacy of the Agreement for the Establishment of the Indian Ocean Tuna Commission (IOTC Agreement) relative to current principles of fisheries management,
- Consistency between scientific advice and conservation and management measures adopted,
- Effectiveness of control measures established by the IOTC; and
- Efficiency and transparency of financial and administrative management.

In 2009, the IOTC performance review panel published a report outlining 75 recommendations to improve the functioning of the IOTC ([Anon 2009](#)).

DISCUSSION

At the 16th Session of the Commission held in April 2012, members noted the status of implementation for each of the recommendations arising from the report of the performance review panel. Members agreed that the Secretariat and Chair of each of the three Committees should further develop the status table by including a work plan with proposed timelines and priorities.

Members tasked the Secretariat with ensuring that the relevant sections of the revised table ([Appendix A](#)) are provided to the respective Committee's in advance of their next Sessions, in accordance with the rules of procedure.

The Commission agreed that each of the Committee's should carry out a comprehensive evaluation of the status and priority of each of the recommendations from the Performance Review, and for a revised document to be provided to the Commission at its next Session.

RECOMMENDATION/S

That the Standing Committee on Administration and Finance:

- 1) **NOTE** the status of each of the recommendations from the performance review relevant to the SCAF, as agreed to by the Commission at its 16th Session.
- 2) **REVIEW** and **UPDATE** the status table by including a workplan with proposed timelines and priorities for each recommendation relevant to the work of the SCAF, for the Commission's consideration.
