

ACTIONS ARISING FROM THE 17TH SESSION OF THE COMMISSION

#	Actions from the Seventeenth Session (6-10 May 2013)	Adopted	Responsibility	Progress	Due date
1	S17 (para. 16): The Commission NOTED however, that the fishery statistics available for many fleets, in particular for coastal fisheries, are not accurate enough for a comprehensive analysis as has been repeatedly noted in previous WPTT and SC reports. The Commission REQUESTED that the countries engaged in those fisheries take immediate actions to improve fishery statistics reporting to the IOTC Secretariat.	S17 (May 2013)	All CPCs	Ongoing - Some CPCs are strengthening their data collection and management systems, using their own resources and/or funds from foreign agencies (e.g. OFCF, SmartFish, BOBLME) or the IOTC. The statistics of Comoros, Sri Lanka, and Madagascar are likely to improve in the future.	
2	17 (para. 21): The Commission AGREED to initiate a consultative process among managers, stakeholders and scientists to begin discussions about the implementation of an MSE in the IOTC.	S17 (May 2013)	Secretariat/ Working Parties	Ongoing – An operating model for Albacore and Skipjack (through Maldives MSC programme) are under development. Capacity building activities for the MSE will commence in 2014, following the development of MSE operating model for albacore.	
3	S17 (para. 25): In congratulating the 26 CPCs who provided a report in 2012, the Commission also stressed the importance of the submission of National Reports by all CPCs and REQUESTED those who did not meet their reporting obligations in this regard (Seven: Eritrea, Guinea, Pakistan, Sierra Leone, Tanzania, Vanuatu and Yemen), to provide a National Report to the SC in 2013.	S17 (May 2013)	Eritrea, Guinea, Pakistan, Sierra Leone, Tanzania, Vanuatu and Yemen	Ongoing – Eritrea, Guinea, Sierra Leone and Yemen has not submitted National Reports	
4	S17 (para. 29): The Commission REQUESTED that the southwest region continue to be analysed as a special resource [<i>swordfish stock</i>], as it appears to be highly depleted compared to the Indian Ocean as a whole.	S17 (May 2013)	Scientific Committee	Ongoing - Swordfish in the SWIO will be the subject of stock assessment in 2014, as agreed by the SC in 2012 and 2013.	
5	S17 (para. 31): The Commission NOTED the provision by the SC of the Kobe II strategy matrix for bigeye tuna, skipjack tuna, yellowfin tuna and swordfish (IO and SWIO) and recognized that it is a useful and necessary tool for management. The Commission REQUESTED that such matrices shall be provided for all stock assessments by the species Working Parties, and for	S17 (May 2013)	Working Party on Tropical Tunas	Ongoing - Kobe II strategy matrix is being requested.

	these to be included in the report of the SC in 2013 and all future reports.				
6	S17 (para. 34): The Commission NOTED some minor improvements in the quantity of fisheries statistics available to the SC and its Working Parties in 2012 but reiterated its concerns about the lack of fisheries data from some gears and fleets for target and bycatch species. Specifically, many fisheries statistics are missing or incomplete for some industrial and artisanal fisheries. As such, the Commission REQUESTED that all CPCs improve their data collection and reporting to the IOTC, especially taking into account that the Commission has initiated the consultation process on developing criteria for a quota allocation system.	S17 (May 2013)	All CPCs	Ongoing – ditto 1.	
7	S17 (para. 49): The Commission AGREED that appropriate legal support be present during future CoC Sessions to aid Members deliberations of alleged IUU cases.	S17 (May 2013)	Secretariat	Secretariat has written to the FAO Legal Office (24 July 2013) and a response received on 23 rd April 2014, and circulated in IOTC Circular 2014-41.	
8	S17 (para. 50): The Commission EXPRESSED concern about the absence of several CPCs at the CoC10 meeting and AGREED that the Chairperson should provide questions in writing to each of the CPCs who were not in attendance at the CoC meeting. For those CPCs who attend S17, this would be done during the presentation of the CoC10 Report. For those CPCs who do not attend S17, the 'letter of feedback on compliance issues' would be sent by the IOTC Chair following the Commission meeting and would include an expression of concern given the CPCs absence from the IOTC meetings.	S17 (May 2013)	Secretariat/ Chair	Completed - Feedback letters sent by e-mail to six CPCs (ERI, GIN, PAK, SDN, SLE & YEM) on 14 th May 2013.	
9	S17 (para. 51): The Commission AGREED to the development and distribution of letters of feedback by the IOTC Chair, highlighting areas of non-compliance to relevant CPCs, together with the difficulties and challenges being faced.	S17 (May 2013)	Secretariat/Chair	Completed - Feedback letters distributed to all CPCs present at S17 on 10 th May 2013 and by email after the Session.	
10	S17 (para. 52): The Commission AGREED that a deadline of 60 days before the next annual Session of the Commission be established for all CPCs to respond to the 'feedback letters on compliance issues' from the Commission and based on the deliberations of the CoC each year.	S17 (May 2013)	All CPCs	Chair CoC to send reminder to CPCs in his circular for CoC11.	60 days before S18
11	S17 (para. 53): The Commission RECOMMENDED that the Secretariat continue developing follow-up actions on the issues, including potential capacity building activities to address these matters, particularly for developing coastal States.	S17 (May 2013)	Secretariat	Ongoing – Several Compliance Support Missions (Completed for LKA, IDN, MDG, MOZ, TZA, planned MUS & KEN), and one Regional Workshop undertaken since S17.	
12	S17 (para. 54): The Commission AGREED that Sri Lanka continue to provide monthly reports including: i) evidences of the actions it had taken against IUU	S17 (May 2013)	Sri Lanka	Ongoing – Reports up to August 2013 received and circulated.

	vessels; ii) name of the past and present owner and skipper; and iii) IOTC numbers from the Record of authorised vessels, in a standardised format in the future, irrespective of whether new information had become available, for each of the vessels reported to IOTC for IUU fishing.				
13	S17 (para. 55): The Commission AGREED that Sri Lanka provide regular updates in the implementation of their road map for the vessel monitoring scheme, and regular updates on the passage of new domestic requirements for a high-seas licencing regime, to the Secretariat for circulation to the Commission.	S17 (May 2013)	Sri Lanka	Ongoing – Sri Lanka provided an update which was circulated in IOTC Circular 2013-108 dated 19 th December 2013.	
14	S17 (para. 56): The Commission NOTED that bilateral discussions between the European Union and Mozambique had taken place and the Parties had agreed to resolve the issue at the CoC10. The Agreement between Parties is to be fully executed within 30 days of the signing of the Agreement after which Mozambique shall report to the Commission on the execution of the Agreement.	S17 (May 2013)	EU/Mozambique	Completed – Agreement circulated on 7 th August, through IOTC Circular 65.	30 days after the 17 th Session
15	S17 (para. 63): The Commission AGREED to retain the <i>HSIANG FA 26</i> on the Provisional IOTC IUU Vessels List, as provided under Resolution 11/03 para. 14.	S17 (May 2013)	Tanzania, Seychelles and all CPCs	Completed : See Circular 2013-89	
16	S17 (para. 64): The Commission AGREED to retain the <i>Hwa Kun No. 168</i> on the Provisional IOTC IUU Vessels List, as permitted under Resolution 11/03 para. 14	S17 (May 2013)	Tanzania, Taiwan, Province of China and all CPCs.	Completed – See Circular 2013- 89	
17	S17 (para. 65): The Commission ADOPTED the IOTC IUU Vessels List as provided in Appendix XIa [see <i>S17 Report</i>] and the Provisional IOTC IUU Vessels list as provided in Appendix XIb [see <i>S17 Report</i>].	S17 (May 2013)	All CPCs	Completed - IUU list Circulated in Circular 2013-52.	
18	S17 (para. 67): The Commission REQUESTED that the Secretariat review similar practices [<i>regional high-seas boarding and inspection scheme</i>] by other RFMOs and develop a paper for the next CoC in 2014.	S17 (May 2013)	Secretariat	Ongoing –A review paper has been prepared and submitted to CoC 11 in 2014.	
19	S17 (para. 76): The Commission AGREED that applications for CNCP status shall not be considered unless they are present at the Compliance Committee and/or Commission meetings to present their application and respond to questions from Members.	S17 (May 2013)	Compliance Committee	Completed - Letters have been sent to Djibouti and DPRK on 26 th April 2013.	
20	S17 (para. 83): The Commission REQUESTED that all Members with overdue contributions finalise payment of those contributions as soon as possible so as not to hinder the operation of the IOTC. To facilitate this process, the Chair of the Commission, with the assistance of the Executive Secretary, shall write to each of the CPCs with contributions in arrears totalling	S17 (May 2013)	Secretariat/Chair	Completed - Letters distributed to Sierra Leone, Guinea, Yemen, Sudan, Pakistan, Eritrea and Iran in September 2013. Reminders were sent to all the

	more than the previous two years to seek confirmation of their continued involvement in the IOTC, quoting Article IV, para. 4 of the IOTC Agreement, and to seek payment for overdue contributions. Responses from those CPCs should be circulated by the Secretariat to all CPCs for consideration at the 18 th Session of the Commission.			countries in February 2014. Response received from Pakistan.	
21	S17 (para. 85): The Commission AGREED that capacity building activities, including workshops on science (stock assessment), compliance with IOTC CMMs, data collection and reporting, and bridging the gap between IOTC science and management advice, be continued in 2013 and financially supported through the IOTC budget and through voluntary contributions from Members and other interested parties.	S17 (May 2013)	Secretariat	Ongoing – CMM and PSM missions being undertaken by the Compliance Section (Completed for LKA, IDN, MDG, MOZ, TZA, planned for MUS & KEN). Workshop on IOTC Science process (stock assessment) undertaken in Thailand in May (20 th -24 th May, 2013) with support from BOBLME. Member countries Thailand, Indonesia, Maldives, India, Sri Lanka and Malaysia. 2 observer countries were also present, namely Bangladesh and Myanmar.	
22	S17 (para. 86): The Commission NOTED that the increased attendance by national scientists from developing CPCs to IOTC Working Parties and the SC in 2012 (46 in 2012; 33 in 2011) was partly due to the IOTC MPF, adopted by the Commission in 2010 (Resolution 10/05 <i>on the establishment of a Meeting Participation Fund for developing IOTC Members and non-Contracting Cooperating Parties</i>), and AGREED that the MPF should be maintained into the future.	S17 (May 2013)	Secretariat	Ongoing – The Commission replenished the MPF to US\$200,000 for 2013. However, the Commission is yet to determine a process to maintain the fund into the future. Noting that Resolution 10/05 calls on the Commission to do so in 2012.	
23	S17 (para. 87): The Commission reiterated its previous REQUEST that the MPF be separated from the main budget as a separate project, and for the Executive Secretary to request that the FAO project support costs be waived.	S17 (May 2013)	Secretariat	A request has made to FAO for the Meeting Participation Fund to be subjected to a 0% project cost.	
24	S17 (para. 88): The Commission AGREED the rules of procedure for the administration of the IOTC MPF be modified to include funding for Chairs and Vice-Chairs from IOTC developing coastal states, noting that without access to this fund, the ability of developing coastal state scientists to offer their services as Chairs and Vice-Chairs will be very limited. The text recommended by the SCAF10 shall be inserted into the rules of procedure for the administration of the MPF, under the ' Eligibility criteria ' section.	S17 (May 2013)	Secretariat	Completed. Rules of Procedure for the administration of the MPF updated. http://iotc.org/documents/rules-procedure-administration-iotc-meeting-participation-fund	
25	S17 (para. 90): The Commission AGREED that the MPF (established under Resolution 10/05) be replenished to its initial level of US\$200,000 for the financial (calendar) year 2013, through the allocation of funds from the IOTC accumulated funds.	S17 (May 2013)	Secretariat	Completed.	

#	Actions from the Seventeenth Session (6-10 May 2013)	Adopted	Responsibility	Progress	Due date
26	S17 (para. 92): The Commission AGREED to discuss this matter at SCAF11 in 2014, and REQUESTED that the Secretariat provide a detailed budget for 2014 and 2015 for adoption. This would allow for an early call-for-funds for 2015, at the end of 2014.	S17 (May 2013)	Secretariat	Ongoing	
27	S17 (para. 93): The Commission AGREED that a Fishery Officer (Science), working on science support, be employed at the Secretariat and for this to be incorporated in the Commission's budget on an ongoing basis.	S17 (May 2013)	Secretariat	Post advertised. Recruitment process completed by the Secretariat, awaiting offer from FAO-HR to candidate.	
28	S17 (para. 98): The Commission AGREED to the updated version of the document on progress made regarding the recommendations arising from the report of the Performance Review Panel, provided at Appendix XV [S17 report]. The Commission tasked the Secretariat with ensuring that the revised table is provided to the respective Committees in advance of their next Sessions in accordance with the IOTC Rules of Procedure for further updating.	S17 (May 2013)	Secretariat	Ongoing – This was done in 2012, 2013 and will be done in 2014.	
29	S17 (para. 101): The Commission AGREED that a second Performance Review of the IOTC be undertaken in 2014, with terms of reference to be developed by interested CPCs and circulated for wider agreement via an IOTC Circular.	S17 (May 2013)	Secretariat	Circular 2013/85 – Working group formed and draft TOR circulated.	
30	S17 (para. 104): The Commission AGREED to consider the proposal to integrate Resolutions 01/02, 01/03, 03/03, 05/03, 07/01 and Recommendation 05/07, into existing Resolutions before then being superseded/ revoked, and TASKED the interested Members in conjunction with the IOTC Secretariat, to undertake to amend the CMMs with existing relevant Resolutions for the consideration of the Commission at the 18 th Session of the Commission in 2014.	S17 (May 2013)	Interested CPCs & Secretariat	Ongoing.	
31	S17 (para. 105): The Commission CONSIDERED and ADOPTED a revised structure of a paper-based compendium, with the following structure: reverse chronological order of active CMMs; contents; index of all CMMs (active and superseded); and for the IOTC Secretariat to update all internal references in active CMMs to other active CMMs. It was also agreed that a compendium structure organised by theme of active CMMs could be elaborated in the future.	S17 (May 2013)	Secretariat	Ongoing – New compendium published on 15 September 2013. It will again be revised on 13 November Next step: Working Group to consider a compendium organised by structure and a legal review.	
32	S17 (para. 106): The Commission REQUESTED that the IOTC Secretariat facilitate a legal review of the CMMs specifically to identify any inconsistencies between the remaining CMMs and the Agreement, the revised Rules of Procedure and relevant international laws in advance of the 18 th Session of the IOTC. The Commission did not allocate budgetary funds in the IOTC budget for 2013 and 2014 to undertake this task.	S17 (May 2013)	Secretariat	Not implemented due to budget constraints.	
33	S17 (para. 110): The Commission NOTED recommendation 4 from the	S17 (May 2013)	CPCs	Ongoing: A CPC will need to take
