

Report of Implementation for the year 2014

DEADLINE FOR SUBMISSION OF THE REPORT 26 FEBRUARY 2015

Reporting CPC: UK(OT)

Date: 29/12/14

Please NOTE: this document is composed of 3 sections to report on the implementation of IOTC resolutions

Part A. *Describe the actions taken, under national legislation, in the previous year to implement conservation and management measures adopted by the Commission at its sixteenth Session.*

1. Resolution 14/01 On the removal of obsolete Conservation and Management Measures
In considering the UK(OT) response to these questions please note the context. The UK (BIOT) Authority does not operate a flag registry, BIOT does not have a fleet of commercial fishing vessels, and there is no commercial port in BIOT. The waters of the Territory were declared a Marine Protected Area (MPA) on 1 April 2010 and from 1 November 2010 became a no-take MPA to commercial fishing. An MPA exclusion zone covering Diego Garcia and its territorial waters exists where pelagic and demersal recreational fisheries are permitted. The recreational fishery catches some tuna and tuna like species.
2. Resolution 14/02 For the conservation and management of tropical tunas stocks in the IOTC area of competence

This Resolution removed the IOTC closure but retained options for quota allocation and alternative management measures. The Commission in 2014 requested that the SC examine the effect of the IOTC and BIOT closures. UK(OT) presented two papers to the WPTT in 2014 on the impact of IO closures.

IOTC-2014-WPTT16-14 -Tim K. Davies, Chris C. Mees and E.J. Milner-Gulland (2014a) [Modelling the spatial behaviour of a tropical tuna purse seine fleet](#)

IOTC-2014-WPTT16-17 - Tim K. Davies, Chris C. Mees and E.J. Milner-Gulland (2014b) [Examining the impact of spatial closures on the behaviour of a tropical tuna purse seine fleet](#)

UK OT will also attend the next TCAC although none was held in 2014.

Intersessional meetings held to date prioritise developing CPCs. UKOT will attend any meeting that is part of the next session as was the case in 2014.
