Christopher O'Brien
Executive Secretary

Dear Mr. Christopher O'Brien:

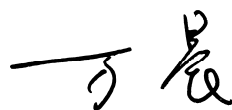

I am writing to convey you information in relation to two notices sent by Sea Shepherd Global which contained in IOTC CIRCULAR 2018-17 dated on 04 April 2018. It is advised that those vessels named *FU YUAN YU 831*, *FU YUAN YU 836*, and *FU YUAN YU 839* owned by the Fuzhou HongDong Pelagic Fishery Co., Ltd and *FU YUAN YU 9607 – 9621* owned by Fuzhou HongLong Fisheries Co., Ltd all operated in East Timorese waters with fishing licenses issued by East Timorese fisheries authority, the fishing gears used which were gillnets were also permitted pursuant to its fishing license.

As flag state, we haven't received any information in relation to those vessels' infringements from East Timorese side. But according to the recent news from other channels, the investigations mentioned in the notices sent by Sea Shepherd Global with regard to those detained vessels have almost finished and no violations in contradicting with local laws and regulations of East Timorese have been detected and confirmed in the conclusion, also, the East Timorese side welcome those vessels keep on fishing in their waters.

In this regard, we suggest IOTC Secretariat could contact relevant authority of East Timorese to clarify this issue; in the meantime, we oppose this case to be discussed in the forum of IOTC before the East Timorese give the full picture of this case and pursue to run this discussion in IOTC.

Please circulate this mail to all the CPCs of IOTC.

Kind regards

Wan Chen
Deputy Director, Division of Distant Water Fisheries
