Feedback to Thailand Y on the level of implementation of IOTC Conservation and Management Measures identified by the CoC14 in 2017.

Feedback: With regards to the level of compliance by Thailand to the decisions of the Commission, the Compliance Committee noted certain issues that required attention. These concerns were communicated to Thailand by the Chair of the Commission in a letter dated 26th May, 2017.

• Has not reported Size frequency for the longline fisheries (provisional), as required by Resolution 15/02.
• Has not reported Size frequency for the longline fisheries (final), as required by Resolution 15/02.
• Has not reported Catch and effort on sharks to IOTC Standard, as required by Resolution 05/05.
• Has not reported Size frequency on sharks, as required by Resolution 05/05.
• Has not implemented the observer scheme, no deployment, as required by Resolution 11/04.
• Has not implemented the observer scheme, no observer coverage at sea for vessel > 24m, as required by Resolution 11/04.
• Has not provided observer report, as required by Resolution 11/04.
• Has not provided the annual report, as required by Resolution 01/06.
• Has not fully implemented the mandatory requirement on Sea turtles report, as required by Resolution 12/04.
• Has partially responded to the letter of feedback, as required by the S17.
• Has not reported Size frequency for the Coastal fisheries to IOTC Standard, as required by Resolution 15/02.
• Has not reported Nominal catch on sharks to IOTC Standard, as required by Resolution 05/05.
• Has not inspected at least 5% inspection of LAN or TRX Inspection report, required by Resolution 10/11.
• Has not fully implemented the Ban on large-scale driftnet, as required by Resolution 12/12
• Has not provided the VMS report on implementation and technical failures, as required by Resolution 15/03.
• Has not fully implemented the ban on thresher sharks as required by Resolution 12/09.
• Has not fully implemented the ban on oceanic whitetip sharks as required by Resolution 13/06.
