
REPORT ON THE IOTC PORT INSPECTION LIST

Prepared by IOTC secretariat

This document summarises the information received in accordance with IOTC Resolution 05/03 *Relating to the establishment of an IOTC programme of inspection in port*.

Submission of lists of foreign fishing vessels and their landings for 2005

Paragraph 8. Each CPC shall submit electronically to the Secretary by 1 July of each year, the list of foreign fishing vessels which have landed in their ports tuna and tuna like species caught in the IOTC area in the preceding year. This information shall detail the catch composition by weight and species landed

Information on the status of reporting relating to IOTC Resolution 05/03 for 2005 is given in Table 1.

The Secretariat received information from 1 member for the year 2005. All records were processed by the Secretariat to identify possible errors. No information has been received for 2006 to date.

Table 1: The port inspection lists for 2005 (IOTC Resolution 05/03): The number and gear type of vessels reported by each CPC. A blank square indicates that no data was received and n/a = not applicable (*i.e calls of foreign vessels operating in the Indian Ocean to ports in these countries are unlikely to occur*). Data as of April 2007.
