
CONCERNING THE IOTC IUU VESSELS LIST

Prepared by IOTC secretariat

In accordance with Paragraph 7 of IOTC Resolution 06/01 *On establishing a list of vessels presumed to have carried out illegal, unregulated and unreported fishing in the IOTC area* the following Provisional IUU Vessels List is provided for consideration at the 12th Session of the Commission.

In March 2008, the Draft Indian Ocean Commission IUU Vessels List was sent out by the Secretariat through IOTC Circular 05/2008. All relevant documents available to the Secretariat were provided with this Circular to allow CPCs to consider the merits for the listing.

Proposed changes to the current IUU Vessels List for the Commissions consideration are as follows:

Regarding the Ocean Lion, flagged by Equatorial Guinea: the Secretariat received information from the Republic of Equatorial Guinea that the Ocean Lion is no longer registered in the Republic of Equatorial Guinea. Given this, it is proposed that the information pertaining to the flag be amended to *Current Flag unknown, previous flag Equatorial Guinea*.

Regarding the Yu Mann Won, flagged in Georgia: No response has been received from the Authorities of Georgia following the Secretariat's advice that the Yu Mann Won appears to be continuing to use the flag of Georgia despite them suspending its registration. It is proposed that the information pertaining to the flag be amended to *Current Flag unknown, previous flag Georgia*.

Regarding the Gunuar Melyan 21, flag unknown: Indonesia informed the Secretariat that the Gunuar Melyan 21 is not registered in Indonesia. It is proposed that the Gunuar Melyan 21 be considered for inclusion. To date, no additional information has been received on this vessel.
