

Assessment by the WPICMM04 of CPC performance in implementing CMMs

PREPARED BY: IOTC SECRETARIAT¹, 26 JANUARY 2021

PURPOSE

To provide participants at the Working Party on the Implementation of Conservation and Management Measures (WPICMM) with the reports to allow the WPICMM04 to conduct an assessment of CPC performance in implementing CMMs in order to provide recommendations to the Compliance Committee on capacity building activities.

BACKGROUND

The component 14, sub-component 14.1, of the work Plan of the WPICMM comprise the following activities:

14	Provide recommendations for the strengthening of the implementation of CMMs and capacity building activities, including compliance support missions, regional/national training courses and workshops, to be funded under the special fund for capacity building or extra budgetary contributions
14.1	<i>Strengthening of the implementation of CMMs and capacity building activities</i>
14.1.1	Develop ToRs for the assessment of CPCs on performance and capacity on implementation of CMMs and capacity building activities
14.1.2	Conduct baseline assessment of CPCs on performance and capacity on implementation of CMMs and capacity building activities
14.1.3	Assessment of the report by the WPICMM
14.1.4	Submission of recommendations to the Compliance Committee
14.1.5	Recommendation for Capacity building and training interventions based on needs and gaps identified by Secretariat from the previous country mission reports

DISCUSSION

The work plan of the Working Party on the Implementation of Conservation and Management measures (WPICMM), component 14 “Provide recommendations for the strengthening of the implementation of CMMs and capacity building activities, including compliance support missions, regional/national training courses and workshops, to be funded under the special fund for capacity building or extra budgetary contributions”, sub-component 14.1 makes provision for CPCs to provide recommendations:

- on capacity building activities, including compliance support missions,
- regional/national training courses and workshops.

The objectives of these recommendations to the Compliance Committee are to strengthen the implementation of CMMs at national level (14.1.5).

Initiatives of capacity building activities already conducted by the Secretariat and resources developed to assist CPCs to implement CMMs are provided in the IOTC website, which can be accessed through the following link: <https://www.iotc.org/compliance/capacity-building-compliance> .

It is further recommended that the WPICMM04 considers the following reports from the Compliance Committee 17 (CoC17) in its assessment of the performance of CPCs in implementing the IOTC Resolutions:

- IOTC-2020-CoC17-03_Rev3 *Summary report on the level of compliance*

RECOMMENDATION/S

That the WPICMM04:

- 1) **NOTE** paper IOTC–2021–WPICMM05–05.
- 2) **NOTE AND ASSESS** report IOTC-2020-CoC17-03_Rev3 *Summary report on the level of compliance* and report IOTC-2020-CoC17-10_Rev1 *Summary report on Compliance Support Activities*.
- 3) Following the assessment by the WPICMM04, provide **RECOMMENDATION/S** to the Compliance Committee on capacity building activities geared towards the strengthening of implementation of CMMs, including compliance support missions, regional/national training courses and workshops.
