IOTC CIRCULAR 2021-60

Dear Madam / Sir

CHANGE IN THE DATE OF THE MEETING OF THE WORKING PARTY ON TROPICAL TUNAS

Following consultations between the IOTC Scientific Committee Chair and the Chairs of the Working Party on Working Party on Tropical Tunas (WPTT) a decision has been taken to slightly modify the dates of the WPTT23. The changes are possible because there is no travel involved (due to the COVID-19 pandemic) and will mean that the meetings are better aligned to a normal working week.

The new dates and deadlines for the meetings are as follows:

Working Party on Tropical Tuna: 25-30 October

25 – 30 October	Working Party on Tropical Tunas by video-conference.

Documents and information

The agenda and session documents will be made available on the meeting webpage.

As always, scientists are encouraged to provide papers for the meetings, but due to the very limited time available, only a select few papers (identified by the respective meeting chairs) will be presented at each meeting. However, all other documents will be uploaded to the meeting pages and maintained as background information. Thank you for your understanding on the necessity to limit papers to those that are fundamental to address the agendas.

Yours sincerely

Christopher O'Brien
Executive Secretary
