

19th Session of IOTC Compliance Committee
8-10 and 12 May 2022, Seychelles

Agenda Item 7: Review of the Draft IUU Vessels List – Res. 18/03

Statement by the Republic of Mauritius

The Republic of Mauritius reiterates that it does not condone IUU fishing and that it is not opposed to the adoption and implementation of any measure against IUU fishing provided that any such measure is taken or implemented in conformity with international law, including the rights of the Republic of Mauritius under such law.

However, for the reasons mentioned in its statements relating to items 2, 4 and 6, the Republic of Mauritius cannot endorse any recommendation for the inclusion on the IOTC IUU Vessels List of vessels reported by the “UK (OT)” or the United Kingdom purporting to act as the coastal State in relation to the Chagos Archipelago.

The Republic of Mauritius requests that this statement be annexed to the report of this meeting.
