IOTC CIRCULAR 2022-40

Dear Madam / Sir

MANDATORY SUBMISSION OF NATIONAL REPORTS

The Scientific Committee has adopted a set of guidelines to assist CPCs report information related to general fisheries statistics; the implementation of Scientific Committee recommendations; national research programs; and other relevant subjects.

A template for reporting this information can be downloaded from the IOTC Scientific Committee website: [click here](#). Please note that reporting requirements may have changed from the previous year due to the adoption of new Resolutions and therefore CPCs are strongly encouraged to use the latest template.

The completed National Reports should be returned to the IOTC Secretariat **no later than 20 November 2022** (IOTC-Secretariat@fao.org). Please include the words "National Report 2022" in the subject line.

Thank you in advance for using the latest template, and please do not hesitate to contact the IOTC Secretariat if assistance is required in completing the National Report.

Yours sincerely

Christopher O'Brien
Executive Secretary
