

IOTC-2024-CoC21-FL20[E]-PHL

Annex: Compliance issues from CoC20.

CPC: Philippines	Responses/clarifications
<ul style="list-style-type: none"> Has partially implemented the IMO number requirement for eligible vessels, as required by Resolution 19/04. 	<p>The Philippines has already requested the delisting of 55 Philippine-flagged fishing vessels in the IOTC Record of Vessels (delisting date: 01 January 2023). None of these vessels are actively operating in the IOTC Area of Competence since 2018.</p> <p>The Philippines shall be submitting a new list in accordance with Resolution 19/04 and other relevant IOTC Resolutions and Conservation and Management Measures (CMM).</p>
<ul style="list-style-type: none"> Has not provided all information related to the List of Authorized vessels > 24 metres, mandatory information missing (IMO numbers, date of end of authorisation, beneficial owner data, photographs), not at IOTC standard, missing information, as required by Resolution 19/04. 	<p>The Philippines has already requested the delisting of 55 Philippine-flagged fishing vessels in the IOTC Record of Vessels (delisting date: 01 January 2023). None of these vessels are actively operating in the IOTC Area of Competence since 2018.</p> <p>The Philippines shall be submitting a new list in accordance with Resolution 19/04 and other relevant IOTC Resolutions and Conservation and Management Measures (CMM).</p>
<ul style="list-style-type: none"> Has reported information but no actions taken domestically to monitor catches of Blue Shark, as required by Resolution 18/02. 	<p>The Philippines has a Fisheries Administrative Order (FAO) 272: Rules and Regulations for the Conservation and Management of Sharks for Philippine Fishing Vessels.</p> <p>This FAO requires all commercial fishing vessels to record in their Catch Logsheets and submit to the BFAR as required by FAO 198-1 all bycatch of shark species, whether released alive or dead, or retained. The municipal fishing vessel shall submit a shark bycatch report to the concerned Local Government Unit (LGU).</p>
<ul style="list-style-type: none"> Has not provided the BET 2nd semester report, as required by Resolution 01/06. 	<p>Currently, the Philippines can only provide BET data on country of origin and quantity.</p> <p>However, the Philippines has recently issued a Memorandum dated 27 December 2023 to all BFAR Regional Offices instructing them to provide market data reports regarding the import and re-export trade of BET following the requirements of Resolution 01/06.</p>
<ul style="list-style-type: none"> Has not provided the BET 1st semester report at IOTC standard, missing information, as required by Resolution 01/06. 	<p>Currently, the Philippines can only provide BET data on country of origin and quantity.</p>

	<p>However, the Philippines has recently issued a Memorandum dated 27 December 2023 to all BFAR Regional Offices instructing them to provide market data reports regarding the import and re-export trade of BET following the requirements of Resolution 01/06.</p>
