IOTC CIRCULAR

2024-24

Dear Sir/Madam

ALLOCATION SIMULATIONS FOR THE TCAC

As requested by the TCAC12 in October 2023, the Secretariat has produced a [shiny app](#) (user: iotc; password: albacares) and simulations of allocation scenarios for review by Members.

The allocation scenarios are based on criteria discussed during the Informal Online Working Group held in February 2024 and outlined in document [IOTC-2024-TCAC13-REF03_Rev1](#).

All the scenarios (IOTC-2024-TCAC13-INF01 - INF15) can be found on the TCAC13 meeting page [\[here\]](#). A readme file ([IOTC-2024-TCAC13-INF00](#)) has been provided along with the simulations to explain what is contained in each simulation file.

The Secretariat acknowledges that the provision of these scenarios is behind the schedule outlined in the TCAC12 report. This regrettable delay has been due to the difficulty in implementing some of the requests made to modify the shiny app during the Informal Online Working Group, as well as changes in Secretariat staffing. The Secretariat appreciates the Members understanding regarding these challenges.

Yours sincerely

Paul de Bruyn

Executive Secretary
