

Summary report on assessment criteria for the Compliance Report of the CoC23/CoC24

PREPARED BY: IOTC SECRETARIAT¹, 23 JANUARY 2026

PURPOSE

To provide participants at the Working Party on the Implementation of Conservation and Management Measures (WPICMM) with the opportunity to review the assessment criteria for the three new requirements of the e-MARIS CoC24 – 2027 assessment campaign.

Note that the assessment criteria to be used to compile the Compliance Report of CPCs, for the Compliance Committee CoC23, were endorsed at the WPICMM08 meeting.

BACKGROUND

The component 3, sub-component 3.1 of the Work Plan of the WPICMM comprise the following activities:

3	Increasing clarity 1) on how obligations are to be assessed and 2) the data that are to be reported to demonstrate compliance
3.1	Compliance assessment criteria
3.1.1	Secretariat presents new assessment criteria for new requirement(s) introduced in e-MARIS application at WPICMM meetings
3.1.2	WPICMM review the new assessment criteria for the new requirement(s) and other requirements as required.
3.1.3	WPICMM to review the categories of the obligations (Implementation obligation; reporting obligation; catch limit obligation)

At the [12th Session of the IOTC Compliance Committee](#), the following recommendation was made:

[IOTC–2015–CoC12–R](#) – Paragraph 47. *The CoC **RECOMMENDED** that the IOTC Secretariat provide CPCs with the assessment criteria to understand the process of how the Compliance Reports are compiled, including information on the year being assessed for each requirement.*

DISCUSSION

Following the recommendation of the Compliance Committee (CoC), and the sub-component 3.1 of the Work Plan of the WPICMM, the IOTC Secretariat is pleased to provide the meeting document [IOTC-2026-WPICMM09-13 Add1](#) [English & French], the assessment criteria to be used for the compilation of the Compliance Reports for the 2027 CoC24 meeting. We would like to invite the WPICMM09 to provide comments on the assessment criteria for:

- The three newly added requirements of the e-MARIS CoC24 – 2027 assessment campaign.

The Secretariat wishes to bring to the attention of WPICMM09 that three reporting requirements have been introduced in the e-MARIS CoC24 – 2027 assessment campaign, which relates to Resolutions adopted in 2025.

RECOMMENDATIONS

That the WPICMM09:

- 1) **NOTE** documents [IOTC-2026-WPICMM09-13](#) and [IOTC-2026-WPICMM09-13 Add1](#), which describes the three new requirement and their assessment criteria added to the e-MARIS CoC24 – 2027 assessment campaign.
- 2) **NOTE** that the assessment criteria are also available in the [e-MARIS application](#) for each individual requirement in e-MARIS CoC24 – 2027 assessment campaign.
- 3) **REVIEW and ENDORSE** the three new requirements and their assessment criteria and standard for the e-MARIS CoC24 – 2027 assessment campaign.
- 4) **AGREE** that the IOTC Secretariat compile the Compliance Reports with the assessment criteria and standards endorsed by the WPICMM09 and further note that the compliance assessment will be carried out in the [e-MARIS application](#).
