

## **IOTC-2026-S30-15 [F]**

### **INFORMATIONS FOURNIES PAR L'INDE CONCERNANT VINGT-QUATRE NAVIRES FIGURANT SUR LA LISTE DES NAVIRES INN DE LA CTOI EN VUE DE LEUR RETRAIT DE CETTE LISTE**

Préparé par : Secrétariat de la CTOI, le 14 mai 2026

#### **OBJECTIF**

Transmettre à la Commission (S30) les informations reçues de l'Inde par le Secrétariat de la CTOI afin de l'aider à prendre des décisions concernant :

- Retrait de la liste des navires INN de la CTOI de vingt-quatre navires.

#### **INFORMATIONS COMMUNIQUÉES AU SECRÉTARIAT DE LA CTOI**

L'Inde a fourni les informations figurant dans les pièces jointes, concernant vingt-quatre navires figurant sur la liste des navires INN de la CTOI, et a demandé que ces navires soient retirés de ladite liste.

#### **RECOMMANDATION**

Que la Commission (S30):

- **PRENNE CONNAISSANCE** les informations fournies dans le document IOTC-2026-S30-15, qui l'aideront dans ses délibérations concernant la demande de retrait des vingt-quatre navires de pêche indiens figurant sur la liste des navires INN de la CTOI.

**Secrétaire exécutif,  
Secrétariat de la CTOI,  
Le Chantier Mall, PO Box 1011,  
Victoria,  
Mahe, Seychelles.**

**Objet : Transmission d'informations complémentaires et demande de retrait de navires indiens de la liste des navires INN de la CTOI, conformément à la résolution 24/03 de la CTOI**

Monsieur, La présente fait suite aux discussions concernant le retrait de 26 navires indiens de la liste des navires INN de la CTOI lors de la 23<sup>e</sup> session du Comité d'application (CdA23), qui s'est tenue du 4 au 6 mai et le 8 mai 2026 à Malé, aux Maldives.

2. En réponse au paragraphe 123 du rapport du CdA23, dans lequel « le CdA23 EST CONVENU que si l'Inde fournit les informations manquantes (par exemple, des détails sur la suspension des licences), la Commission devrait envisager de retirer de la liste 23 des 26 navires », les informations demandées sont soumises par la présente et jointes en annexe I.

3. Les autorités concernées confirment que les licences de pêche des navires en question ont été suspendues par les autorités compétentes conformément aux procédures juridiques et administratives nationales applicables. Ces mesures reflètent les mesures coercitives adéquates prises par les autorités indiennes concernées en réponse aux incidents allégués et démontrent l'engagement de l'Inde à lutter contre la pêche INN et à garantir le respect des règles par les navires battant son pavillon.

4. En outre, à la suite de rapports faisant état d'activités de pêche INN présumées impliquant certains navires indiens, le gouvernement indien a lancé, à titre de mesure tant préventive que corrective, un programme complet financé par l'État visant à installer des transpondeurs satellitaires sur tous les navires de pêche indiens mécanisés. Cette initiative, soutenue par une allocation de 364 crores de roupies indiennes (environ 38,18 millions de dollars américains), renforce considérablement le cadre de suivi, contrôle et surveillance (SCS) de l'Inde en permettant le suivi en temps réel des navires, en renforçant la transparence opérationnelle et en améliorant la responsabilité en matière d'activités de pêche.

5. Sur le plan juridique et réglementaire, l'Inde a renforcé son cadre de gouvernance des pêches par la publication des Règles relatives à la pêche dans la ZEE (4 novembre 2025)

et la promulgation des Lignes directrices pour la pêche en haute mer (9 décembre 2025). Ces instruments fournissent une base juridique et opérationnelle solide pour réglementer les activités de pêche et habilitent les organismes nationaux chargés de l'application de la loi, notamment la Marine indienne, les garde-côtes indiens et les autorités côtières, à mettre en œuvre efficacement les mesures de SCS et à dissuader les activités de pêche non autorisées, y compris les incursions dans les eaux relevant de la juridiction d'autres États.

6. En outre, des programmes réguliers de sensibilisation et de renforcement des capacités sont menés à l'intention des pêcheurs, en particulier des exploitants de navires de pêche en haute mer. Ces programmes visent à informer les communautés de pêcheurs sur les implications juridiques, économiques et environnementales de la pêche INN, tout en encourageant le respect des lois nationales, des mesures des États côtiers et des obligations découlant des instruments internationaux pertinents en matière de pêche.

7. Collectivement, ces mesures soulignent l'engagement sans faille de l'Inde à lutter contre la pêche INN, à renforcer la gouvernance des pêches et les infrastructures SCS, et à s'acquitter de ses obligations en tant que Partie contractante responsable de la Commission des thons de l'océan Indien.

8. L'Inde assure en outre la Commission qu'en tant que partie contractante responsable, elle continuera d'appliquer des mesures de contrôle rigoureuses conformément aux lois, règles et lignes directrices indiennes applicables, y compris l'imposition de sanctions plus sévères en cas d'arrestations répétées pour pêche illégale dans les eaux relevant de la juridiction d'États côtiers étrangers au cours des trois prochaines années. L'Inde confirme également que toute mise au rebut ou tout désarmement futur de navires figurant sur la liste des navires INN de la CTOI sera dûment documenté et signalé conformément à la résolution 24/03 de la CTOI.

9. Compte tenu des mesures correctives déjà prises, du cadre juridique et institutionnel renforcé désormais en place et des assurances fournies dans la présente, l'Inde demande par la présente à la Commission d'examiner et de procéder au retrait immédiat des navires indiens concernés de la liste des navires INN de la CTOI.

10. L'Inde apprécierait également que la présente communication soit diffusée auprès des participants à la 30<sup>e</sup> session de la Commission des thons de l'océan Indien, actuellement en cours, pour information et examen.

Yours faithfully,

(Dr. Sanjay Pandey)
